PUBLIC HEARING:

- 1) Proposed abandonment of a section of Everson Road past the gate at Evers Ranch: Commissioner Seilstad opened the hearing on the proposed abandonment of a section of Everson Road past the gate at Evers Ranch. Gary Carlson stated that he manages the Evers Ranch for his wife's family. It was always their impression that this road ended at the cattle guard. Clive Rooney with DNRC said that this road was petitioned to be longer in 1920 but no action was taken at that time. He believes it may have been a part of Chouteau County at one time but has not had a chance to research that. His interest is to make sure no access is cut off to State lands. He currently has no objection to this abandonment as it is petitioned. Commissioner Seilstad has researched this and said there was Petition 2142 in approximately 1960 done by Ken Walton. Gary Barta stated his interest and concern with this is that if access is cut off to any private land it substantially decreases the property value. Pete McFadden with BLM stated he would like to work with Clive Rooney to make sure there are no problems with the abandonment regarding State lands. Commissioner Seilstad closed the hearing.
- 2) Proposed abandonment of Cotter Bridge Road: Commissioner Seilstad opened the hearing on the proposed abandonment of Cotter Bridge Road. Commissioner Seilstad stated that the petition forming this road is #484. Brian Larsen said the road is only used by the area residents and they would like it closed. Commissioner Seilstad closed the hearing.
- 3) Proposed abandonment of Morris Lane: Commissioner Seilstad opened the hearing on the proposed abandonment of Morris Lane. Gary Carlson said that their research showed this is not a County road. Extra traffic on it creates more erosion. Commissioner Seilstad closed the hearing.
