

RESOLUTION # 7 2018

A RESOLUTION REQUESTING DISTRIBUTION OF LOCAL GOVERNMENT ROAD CONSTRUCTION AND MAINTENANCE MATCH PROGRAM FUNDS.

WHEREAS, the Bridge and Road Safety and Accountability Restricted Account created by HB473 requires the Montana Department of Transportation to allocate accrued funds to cities, town, counties, and consolidated city-county governments for construction, reconstruction, maintenance, and repair of rural roads, city of town streets and alleys, and bridges; and,

WHEREAS, a city, town, county or consolidated city-county government that requests funds under the Bridge and Road Safety and Accountability Account must match each \$20 requested with \$1 of local government matching funds; and,

WHEREAS, a city, town, county, or consolidated city-county government that requests distribution of allocated funds may make such a request to the Department of Transportation between March 1 and November 1 of the year the funds were allocated; and,

WHEREAS, a description of the projects to be funded (or the money used to match federal funds) are detailed in Appendix A (attached); and,

WHEREAS, the local match for the allocated funds are identified in Appendix B (copy of approved road/bridge expenditures from current year operating budget are attached).

THEREFORE, NOW BE IT RESOLVED THAT

- 1) Fergus County requests distribution of its share of the allocated Bridge and Road Safety and Accountability funds to be used for the projects identified in Appendix A.
- 2) That the Presiding Officer of Fergus County is hereby empowered and authorized to execute such further documents as may be necessary to facilitate the distribution of said funds.

Adopted March 21, 2018.

BARSAA Project Information

Distribution or Reservation Request?

Distribution Request

Project Location - Include the name of road or street on which work is occurring and a description of project beginning and ending points. If there are multiple locations, then please provide a general description such as City wide or County Wide. Examples of project location would be Main Street from 1st Avenue to 5th Avenue or Dublin Creek Road from US 12 south 1.2 miles.

Road or Bridge Project Location*

The project will be done county wide for Fergus County.

Type of Work - All BARSAA funds allocated under this program must be utilized for: (a) construction, reconstruction, maintenance and repair of rural roads, city or town streets and alleys, and bridge projects; or roads and streets a local government has the responsibility to maintain, which does not include purchase of capital equipment; or (b) a match for federal funds used for the construction of roads and streets that are a part of the national, primary, secondary or urban highway systems; or roads and streets a local government has the responsibility to maintain. Selection should reflect the predominant work type or most closely matches the anticipated project.

Type of Work*

Reconstruction

Click [HERE](#) for a link to the MDT Road & Bridge Funding website containing a list of current allocations by entity.

BARSAA Funds from Current Allocation*

\$48,420.20

BARSAA Funds from Previously Reserved Amount*

\$0.00

Project Cost - A local government must match each \$20 request for distribution with at least \$1 of local government budgeted matching funds.

Total Estimated Project Cost (All Sources)*

\$119,498.26

Completion Date - Enter estimated completion date of project construction (mm/dd/yyyy).

Estimated Project Completion Date*

06/30/2019

Matching Funds - A local government must identify the source of the budgeted matching funds, which cannot be from the motor fuel tax allocation in 15-70-101, MCA.

Source of BARSAA Matching Funds*

Local Taxes

Total Amount Requested for Distribution

\$48,420.20

Are BARSAA Funds being transferred from a completed or withdrawn project?*

No

Distribution Resolution - The distribution resolution must identify the project, the amount of BARSAA program funds requested, the source of the matching funds, and identify the locally designated signature authority.
