FERGUS COUNTY DISASTER DECLARATION RESOLUTION

RESOLUTION NO. 11-2013

WHEREAS, spring runoff and spring rains have caused severe damage to roads, bridges and dams within the County beginning with storm events of May 27 through June 4, 2013 and

WHEREAS, restoration of the roadways and bridges are essential to ensure the health, safety and welfare of residents of the County; and

WHEREAS, the County has committed all available resources, taken all possible action to combat and to alleviate the situation and local resources are not adequate to cope with the situation.

NOW, THEREFORE, BE IT RESOLVED by the County Commissioners that a disaster is hereby declared pursuant to Section 10-3-403 MCA, because expenditures for repair and damaged facilities will be beyond the financial capability of the County.

BE IT FURTHER RESOLVED, although costs including overtime and emergency repair of roadways have exceeded the 2 mil levy amount, the County Commissioners have decided at this time not to levy the amount on the taxpayers. Economic conditions and the impact of the flooding on the agricultural community within Fergus County determined this decision;

BE IT FURTHER RESOLVED, that copies of this resolution be filed with the County Clerk and Recorder, County Assessor and the Montana Disaster and Emergency Services Division in Helena.

PASSED AND ADOPTED by the Fergus County Board of County Commissioners this 6th day of June 2013.
