Permittee Change Of County Of Residence -- Notification To Sheriffs And Chief Of Police

45-8-325. Permittee change of county of residence -- notification to sheriffs and chief of police. A person with a permit to carry a concealed weapon who changes the person's county of residence shall within 10 days of the change inform the sheriffs of both the old and new counties of residence of the change of residence and that the person holds the permit. If the person's residence changes either from or to a city or town with a police force, the person shall also inform the chief of police in each of those cities or towns that has a police force.

For valid permits issued in Fergus County: A replacement card with your new address can be printed for \$5.00.

For valid permits issued from other Montana counties: Please present your permit and a state issued photo ID. If you need a new permit with your new address, you will need to contact the county where you received your permit. We will not issue a Fergus County Permit until your old permit expires.

For valid permits from other states: Please present your current permit and a state issued photo ID. If you have been a resident of Montana for six months and are applying for a Montana permit, you must complete a full Concealed Weapon Permit Application.
